

Horry County is updating its Multi-Jurisdictional All-Hazards Mitigation Plan, and whole community input is needed! This plan helps reduce risks from disasters like hurricanes, flooding, wildfires, and more. We've teamed up with Horry County Planning & Zoning's Imagine 2040 Comprehensive Plan update to host two joint public input sessions focused on disaster risk reduction and community resilience. Join us to learn more and share your ideas about hazard mitigation and resilience!

Public Input Opportunities

 **Tuesday, August 5, 2025**

 5:30 PM – 7:30 PM
